Instead of a call, Jack will do a write of what he has found out and fixed. I will forward when I receive it.

Hi Jack and Bob,

Jack would you be able to arrange a conference call to discuss the water level and precipitation table. What date and time would be good for everyone. I am available 6-18 in the morning, 6-23 morning, 6-25 all day 8-4, and 6-26 8-3.
